Guidelines for contributions :

All contributions are welcomed. Any original article related to natural history, conservation or ecological research in Hong Kong will be considered for publication. Authors of long articles should send their work as a Word file, either by post (on disk, with hard copy attached) or by email. Original artwork should be sent by post (please indicate if return of material is required). Short articles (less than a hundred words) may be faxed or posted.

Articles from *Porcupine!* may be reprinted without permission. Please acknowledge source and author.

All authors can be contacted through *Porcupine!* unless alternative contact details have been provided.
